**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am using the Sonic telephone and Internet service for several years and happy with it.

My provider before that was the AT&T. They raised prices each year and quality of the service was really bad. Please do not let them to suppress the competition.

I need to work from home sometimes and this is why high quality and competitive price service like Sonic is very important to me.
